“ *While my father has known Bill since the 1970s, I first met Bill in 1989. We shared an interest in European history. He was a long-time friend and a mentor. I was saddened to hear of his passing and I will miss our conversations. My condolences go out to Dolores and their family.*

“ I was thirteen when Colleen introduced Gregg to our family. He was the tallest person I had ever met. Later on when I met Gregg's family I thought I better ask my parents for a basketball hoop. (Which Gregg gave me for Christmas that year). I always enjoyed talking to Bill at family gatherings. Our conversations were usually about sports. I also enjoyed listening to his stories about teaching. I will miss seeing Bill at Gregg and Colleen's house.
